

COCO FLUSH &
BRIX ENHANCER

CRYSTAL CLEAR

CRYSTAL CLEAR COCO FLUSH

Releases the bond between locked up minerals and the coco fibre and helps make nutrients mobile again. Removes the taste and presence of fertilizers and unwanted chemicals from the finished produce resulting in a sweeter, cleaner experience.

- 🌿 Flushes out bonded mineral salts from coco fibres
- 🌿 Increases sweetness and Brix levels at the end of harvest

- 🌿 Flushes minerals from plant reserves
- 🌿 Helps to clear nutrient pathways and protect against mineral lockouts

THE CLEANEST FINISH, SWEETEST FLAVOUR
