

BIO DIESEL ALOEVATE

A 100% Natural plant health tonic that contains hundreds of vitamins and enzymes. Made from a specialized blend of desert plant extracts it contains 100% natural salicylic acid (silica) and enzymes to enhance microlife, protect your root zone and break down any dead roots or unused mineral salts.

ALOEVATE will improve your plants size, vitality and overall growth rates while protecting it from disease. Plants become stronger with thicker cell walls with a higher water holding capacity.

- Thicker Cell walls for increased weight and yield
- Enhanced Disease resistance, plant vitality and vigour
- Feeds beneficial microbes and breaks down dead roots and unused minerals

- Foliar Spray to activate SAR response
- Acts as a natural wetting agent with low pH and stabilises rising solutions
- Adds silica (salicylic acid) for stronger cells and mold resistance

ALOEVATE YOUR YIELD TO A HIGHER LEVEL
